

GODSWILL GODWIN ERHUNMWUNSE

PROFESSIONAL SUMMARY

I am an aspiring Software Engineer with a strong foundation in programming and development, seeking a degree apprenticeship in Software Engineering or Digital and Technology Solutions.

I excel in collaborative environments, adapt quickly to challenges, and am eager to apply my passion for innovation and problem-solving to real-world projects, contributing to the success of your organisation

EXPERIENCE

Young Advisor Technology Programme, 09/2024 - Current Sheffield Children's NHS

- Collaborated with industry professionals on technology solutions for healthcare, enhancing UX for paediatric digital platforms.
- Strengthened teamwork and problem-solving skills by addressing real-world healthcare technology needs.

Apprenticeship Ambassador, 09/2024 - Current RateMyApprenticeship

- Promoted apprenticeship pathways, raising awareness among students.
- Delivered workshops and presentations, improving public speaking and leadership.

Nuffield Research Placement, 07/2024 - 09/2024 University of Hull

- Researched AI Chatbot technology, to producing a report and presentation
- Developed technical and analytical skills through independent project work
